

TRAINING IS OF A BUSINESS NATURE

Girls and Boys to Learn Valuable Lessons as Well as Receive Pay.

Interest in The Argus subscription offer is increasing at a very satisfactory rate. Today the boys accepted the gauntlet thrown down by the girls in point of numbers and several more young gentlemen were engaged this afternoon after school soliciting their friends and neighbors for subscriptions.

Aside from the unusual inducement of a dollar bill for only five three-month subscriptions, which is a generous percentage, indeed, for the amount of work involved, the training these boys and girls get is of much greater value. Honest returns from honest toil is a fact that cannot too early be impressed, and many successful men and women owe their present advancement to early beginnings in like endeavors as newspaper solicitors. The fact developed, courtesy demands, knowledge gained, all these are of

SUCCESS OF A NEW REMEDY FOR BACKACHE, RHEUMATISM, KIDNEYS

Folks in Rock Island and adjoining counties are delighted with the results they have obtained by using "AN-URIC," the newest discovery of Dr. Pierce, who is head of the Invalids' Hotel and Surgical Institute, in Buffalo, N. Y. Those who started the day with a backache, stiff legs, arms and muscles, and an aching head (sworn out before the day began because they were in and out of bed half a dozen times at night) are appreciating the perfect rest, comfort and new strength they obtained from Doctor Pierce's An-uric Tablets. To prove that this is a certain uric acid solvent and conquers headache, kidney and bladder diseases and rheumatism, if you've never used the "An-uric," cut this out and send 19 cents to Doctor Pierce for a large sample package. This will prove to you that "An-uric" is 37 times more active than Hilla in eliminating uric acid—and the most perfect kidney and bladder corrector. If you are a sufferer, go to your best druggist and ask for a 50-cent box of "An-uric." You run no risk for Dr. Pierce's good name stands behind this wonderful new discovery as it has for the past half century for his "Favorite Prescription" for weak women and "Pleasant Pellets" for liver ills. definite value to the girls and boys who aspire to successful careers in the walks of life.

There are many excellent reasons why it should prove easy to get new subscribers and a visit to the office and a talk with the circulation manager of The Argus may prove of mutual value. Just as present, three-month subscriptions would make acceptable gifts. Elderly folk, newlyweds, friends at a distance, even, would like to receive a daily visit from this sprightly newspaper and the boys and girls should take notice of its value as a year 'round Christmas present.

Five three-month subscriptions, new ones, that's the proposition. A dollar bill—new as the new moon—is within reach of 100 girls and boys in Rock Island. Start at once.

Sustains Injuries Which May Prove Fatal When Auto in Which He Is Riding Hits Engine.

John Holden, living four miles north-east of Orion, was perhaps fatally injured at 8:45 this morning when an automobile in which he was riding was struck by the eastbound Peoria train of the Rock Island road on the crossing two miles east of Orion. Mr. Holden was driving toward Orion at the time of the accident. Curious on the car prevented his seeing the approaching train which it is said he thought had already passed by. The injured man was hurried to his home. He was given immediate attention by a physician. The automobile, of which Mr. Holden was the only occupant, was completely demolished.

RESIDENT OF CITY 72 YEARS PASSES

Mrs. Annie Boehme, Another of Pioneer Settlers, Called—Funeral to Be Held Tomorrow.

Mrs. Annie Boehme, 78 years of age, who came to this city in 1843, died at 4 o'clock yesterday afternoon at the home of her daughter, Mrs. Minnie Fues, 723 Third street, following an illness of complications and infirmities of age extending over a period of four years. For the past month she had been bedfast.

Annie Glass was born in Greenville, Pa., on Christmas day, Dec. 25, 1836. When she was seven years of age her parents came west settling in Rock Island in 1843, and she had made her home here for 72 years. When Mrs. Boehme came to this county Rock Island was still known as Stephenson, the name being changed in 1849. She saw the county seat grow from a village to a thriving city and had many interesting reminiscences to tell of the early days. In the late 50's she was united in marriage to William Boehme in Rock Island. He preceded her in death seven years.

Those left to mourn her passing are three sons, William, Charles and Albert, and two daughters, Mrs. Minnie Fues and Mrs. Laura Staubach, all of this city. Seventeen grandchildren and seven great grandchildren also survive.

Funeral services will be held tomorrow afternoon at 2:30 at the home, Rev. F. J. Rolf officiating, with interment in Chippannock cemetery.

FEDERATION PUTS OFF LEGAL PLANS

Committee Submits Report On Employment of Permanent Counsel, But Action is Deferred.

The committee appointed by the Tri-City Federation of Labor to investigate the plan employing permanent legal counsel for the central body made a report at the regular meeting held last night at industrial hall in this city. The report was a lengthy one. The delegates discussed the project for nearly an hour, but finally decided to put the question over to some future meeting to allow the delegates a longer time to familiarize themselves with the contents of the report. The committee appointed to investigate the plan is composed of W. E. Campbell, Arthur Honeywell and Fred Little, all of Davenport.

Heretofore each of the individual union affiliated with the federation engaged its own lawyer. Under the new plan the federation would retain one or more lawyers to do the entire work of the central body.

Charles A. Reagan, delegate of the federation to the annual meeting of the American Federation of Labor at San Francisco, did not make a report last night. Mr. Reagan did not return until late from the coast and did not find time to prepare his report. It is expected that he will be heard at the next session.
